Dear Judge Griesa:

The Plaintiffs in the above-captioned cases (the eight "*Seijas*" cases and the *Brecher* action, class actions concerning defaulted Argentine sovereign debt) are scheduled to file their motions for final approval of the class settlements on October 1, 2016. October 1, 2016 is a Saturday. We therefore plan to file the motion papers on Monday, October 3, 2016.

Argentina does not object to us filing on October 3, 2016.

We respectfully ask that the Court So Order this letter confirming that the Plaintiffs may file on October 3, 2016 instead of October 1, 2016.

Respectfully submitted,

/s/
